

FROM THE OFFICIAL DESK OF

# Santa Claus

To the dearest

Merry Christmas! Thank you for your Christmas letter.

I noticed that you appear on my "nice list" and I am so proud of you. I have to be very sorry to send you this letter. We were unable to deliver the gift you wanted in time. Because it has snowed so heavily in this

Christmas that even my elves and Rudolph are surprised.

Once we are ready, I will personally send a special elf to deliver your present. Please be patient while you wait for your special delivery.

Keep up the good behavior!

Lots of love from all of us at the workshop,  
Stay jolly and merry
